Abstract. An abstract must be included, summarizing the purpose, methodology, results and conclusions. References are allowed and they should be included as [1]. The abstract should be written using the environment defined as in this example file. Please do not insert any figures or tables. Formulas can be inserted using standard L^AT_EX commands. The title, authors, affiliations, abstract, keywords, and bibliography must have a one-page length.

Keywords: Keyword1; Keyword2; Include up to five keywords separated by semi-colons starting with capital letters.

Acknowledgments. The Organizing Committee would like to thank the support for celebrating the BAIL 2024.
